

M² MAVERICK PACKAGE **NON-PFAS**

Next Generation Non-PFAS Structural Firefighting Gear Package

NON-PFAS IN EVERY LAYER

Helps departments stay ahead of growing PFAS bans nationwide - without sacrificing performance.

UNRESTRICTED MOVEMENT

Design delivers natural, full-range flexibility without adding weight.

COLOR THAT LASTS - STRENGTH THAT ENDURES

- Outer shell, with ColorSeal™ technology, retains color and structural integrity even after repeated washes and UV exposure

PERFORMANCE WITHOUT COMPRISE

- Exceeds NFPA 1970 (1971) 2025 Edition Standards
- Improved breathability, thermal protection, and lightweight durability vs. many traditional materials.
- TPP 37.8 · THL 272

HIGH PERFORMANCE, BUDGET FRIENDLY

Curated materials deliver a high-performance gear package without the premium price tag.
